## MODERATOR'S MESSAGE

*The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So it is with Christ...But God has combined the members of the body and has given greater honor to the parts that lacked it, so that there should be no division in the body, but that its parts should have equal concern for each other. If one part suffers, every part suffers with it; if one part is honored, every part rejoices with it. Now you are the body of Christ and each one of you is a part of it. (I Corinthians 12:12, 24-27)*

Kailua Christian Church is a true blessing. So many lives have been transformed over the years since its founding by our charter members. There have been numerous times of celebrating baptisms, confirmations, new members, weddings, the birth of children, anniversaries to name a few. There have also been many times of sadness where prayer requests were brought forward. The common denominator in all of this has been that we all came together to share and pray words of thanks and praise and asked for comforting and healing to and through our one and only God, our Father through our Lord and Savior Jesus Christ. What an unbelievable gift we all share. We need to continue to love one another and remember to thank our Father for these gifts as we are KCC and part of the body of Christ.

Thank you to all, both members and friends, who came out to our congregational meeting held on Sunday, October 15th. The purpose of

the meeting was to vote on the pastoral candidate recommended by the pastoral search committee to be KCC's settled pastor. A motion was made from the floor to accept the candidate recommended by the pastoral search committee. The motion was then seconded from the floor. An opportunity for discussion followed with no member requesting the floor. Therefore, a vote by secret ballot took place. There were a total of 56 voting members present. A "yes" vote meant to accept the pastor as recommended by the motion and a "no" meant not to accept the motion. A count of the ballots resulted in 31 "yes" votes and 25 "no" votes. The motion to accept the candidate as KCC's settled pastor did not pass as the Bylaws of KCC require a two-thirds majority vote of the Congregation present. (Section 2.A.).

As a result of the congregational meeting held on Sun. Oct. 15, the search for a settled pastor for KCC will continue. Council will be looking at the pastoral search process and be looking for people to serve on this committee. Please let one of our leaders know if you have an interest in being part of this committee.

We will also be looking for nominations for 2018 and in some positions, 2019 leadership positions at KCC. Please take time to pray and see if you feel called to serve in a leadership position. Also note that there will be an **informational meeting on Sun. Nov. 12** after Council has had a chance to discuss the 2018 Proposed budget then we will receive your commitments of pledges and time and talents for the new year and after we have had a chance to review the pledges, we will present

the recommendations at the **Congregational meeting** held on **December 10, 2017** to vote on accepting our slate of officers and other leaders as well as approve the 2018 budget. You should receive a letter from KCC soon with a copy of our proposed budget, Time and talent commitment form, and details of our leadership needs. Please take time to review and make a sincere effort to attend those events that brings us to be informed and committed to our future together as KCC.

Happy Thanksgiving to you all!

Love in Christ!

Dean, your Moderator

## TRUSTEES NEWS

Every Sunday coming through the gate we are reminded of how blessed we are to have a sanctuary and property that we can share with the Chuukese Congregational Church of Christ and a Spanish school, Hola Keiki. But like a home our church requires much maintenance and upkeep. This month especially we had our share of expenses. Our water bill had a huge increase, and hopefully we attributed it to leaking toilets. Therefore, a toilet was changed in the women's bathroom hoping that our water bill would see a significant decrease. Hagio Plumbing purchased and installed a new toilet at a cost of \$366.49.

A number of windows in the sanctuary were tinted by T&T Specialists at a cost of \$398.95. This alleviates the glare during our powerpoint and video presentations. We now await the installation of our shades by Abby Carpet this month. We anticipate the removal of hardware and trashing our existing drapery on clean-up day November 4<sup>th</sup>. The arborist Trees of Hawaii, trimmed our monkey pod tree and two large palms in the courtyard for \$1884.82.

We are grateful that we can be home for someone on property in our Transitional Housing Unit and share our facilities as shelter for the families with the Family Promise Ministry.

Because of these ministries, a large capacity washer machine was recommended for the washing of quilts and blankets. The cost was \$690.00, and was purchased from Lowes. This item was donated by a member who couldn't commit time but could contribute financially. Sincere thanks to other members who gives generously in their time and talent for this ministry also.

We are also blessed by members who give so generously like donating a new air conditioner for the pastor's office and a shredder for the office. A big thank you to the other unnamed members who donate without desire of recognition.

On a positive note, income received from **Give Aloha** was an awesome amount of 71 donations with a total of \$16,829.21. This included customer donations of \$14,026.00; Foodland donations of \$2,347.59; and Western Union donations of \$455.62. Thank you to all of you who made a special effort to support Foodland, which in turn benefited our church. Our income will be lower this month as some of you give to Give Aloha as part of your pledge.

**November 4<sup>th</sup>** is our clean-up day. If you have a few hours to offer we welcome you to join us as much cleaning is necessary and this is our last cleanup for the year. We invite you to stay for lunch and enjoy this time in fellowship. We are hoping for a special day together, caring for God's kingdom.

*"Get out there and give real help! Get out there and love! Get out there and testify! Get out there and create whatever you can to inspire people to claim their divine being. This is what has to be done now. There is no time for dallying."*

**DEACON NEWS**

This is an open letter from Myrtle Terada, Deacon's committee chairperson.

Dear Members and Friends,

The deacons take turns writing an article for the newsletter. It's my turn this month and I would like to share some of my concerns about what happened at our Congregational meeting on October 15, 2017. The meeting was called to accept [REDACTED] as our settled pastor.

The Pastoral Selection Committee had studied profiles of 38 pastors, interviewed 5 of them then chose [REDACTED] to be our candidate. We believe he had the skills and the heart to bring us closer and to lead us into the future. Although he received more YES votes than NO votes he did not have the necessary 2/3 majority that was needed. I am sad his call to KCC was not approved.

Something happened that day which really disturbs me. After Sunday worship was over, a group of members arrived for the meeting. They signed in to vote, which they have the right to do. However, they had not been to KCC for many months and had stopped participating in the life of the church, so I wondered why they were present. I also had not seen them at the meet-and-greet session on Saturday. They came in time to vote and left before the meeting was adjourned.

As a deacon my concern is for my KCC family. KCC has been my church family for over 50 years. Members and pastors have been my guides, teachers and friends. They have prayed for me and supported me. I always felt that KCC was a warm, loving church that accepted all people no matter where they were on life's journey. Whether liberal or conservative we worked and worshipped together. I hope we can still be that church.

In Jesus' Name,  
Myrtle

*"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." Romans 15:13.*

## Reflections on the Pastoral Search Committee and Process

The following unsolicited comments were shared with the Pastoral Search Committee (PSC) by Dennis Fong, who witnessed the process through the involvement of his wife, Deborah Fong, who served as the clerk of the Pastoral Search Committee.

Some of my thoughts on why I admire what the PSC did.

-Established and executed a deliberate and thorough process.

-Conducted a thoughtful and careful analysis and objective alignment of candidates toward a sustainable organization for the future.

-Overcame long hard work and personal sacrifices.

- Persevered over two years as volunteers.  
-Don't know of anyone who backed out due to duties and responsibilities.

-Developed a complete, honest, and accurate profile of the church.

-Developed and formed a successful and functional team.

-Overcame fears of being vulnerable with each other to build trust with each team member.

-Overcame fear of conflict to build honesty and drive toward a mutually shared vision.

-Overcame lack of commitment allowing each person to learn, reflect, back each other up and arrive at decisions that they will stick to.

-Overcame avoidance of responsibilities.

-Held each other accountable to put aside personal desires and discomforts for the needs of the organization.

-Overcame vanity.

-Maintained focus.

-Put aside pursuit of personal goals and status for team success.

-Maintained team unity, integrity and identity despite adversity.

-Personally took ownership for process and decisions made.

-Conducted own investigations.

-Arrived at and stood firm in commitments and decisions.

-Actively supported leader. Backed each other up as a team.

-Stood for the rights and integrity of each team member and team efforts.

-Overcame verbal and emotional abuses, challenges and did not become victims.

*The following article was offered by Pam M. a member of KCC who observed and participated in the Congregational Meeting on Sunday, Oct. 15. As editor, in the past I have invited people to participate in their sharing for the newsletter so, I include this with the understanding that whenever people offer their articles, I try to respect that they have reflected on what they are sharing and considered if this will be helpful and honoring to God. With that in mind it was included with the hope that we can all lay our concerns at the feet of Jesus and find ways to heal rather than hurt.*

### What Just Happened?

It's four o'clock in the afternoon and I'm still shocked at what happened in church today. I'm still trying to make sense, trying to put everything in perspective. What happened?

Our service went well. [REDACTED] presented a pleasant service.

Aha – then it was time to vote. Voting was completed. The result was announced. Ahh, that's it! Many in the congregation were outraged. [REDACTED] was not to be our new pastor!

People complained. Only MEMBERS COULD VOTE. Many of these members present to vote had not been attending church on a regular ba-

sis or had simply stopped coming. Yes, they are still members and eligible to vote.

So, to those of you who complained, should there be requirements that a voting member, for example:

- 1) Must have attended church for at least 50 Of 52 Sundays prior to the voting event
- 2) must have attended at least 75% of all informational meetings deemed necessary pertaining to the issue we are trying to resolve,
- 3) include children 13+ years in age in the voting process, after all, they are counted as an adult in attendance
- 4) accommodate eligible voting members that had to leave prior to voting for good reason, such as work, caring for a sick or disabled person, etc. obviously valid and important obligations.

Then the aftermath of being given the voting results. Many were angry and frustrated. Two years of hard work by our pastoral search. (I cannot even begin to understand and appreciate the committee’s earnest commitment and dedication to present to us a pastor they believed would be a blessing to us.) Many others sat pleased with the voting result.

So, what do you want? Voting was done! Accept it. It’s done! Why are people carrying on, approaching others with congratulations laced with sarcasm? Why all the animosity? Why the ugly faces?

I was deeply disappointed with their behavior. Was this really happening in this church? In God’s House? Are we not members of the Body of Christ. SHAME ON YOU!

We need healing, desperately. We need healing in regards to not having a new pastor. But, first and most importantly, we needed healing as a church family.

Pam included a lamenting Psalm (crying out to God for help) that she wrote for her BIH class on Psalms that she was willing to share with you.

*Help us Lord to strengthen the Holy Spirit within us*  
*For now our spirit changes as quickly as the waxing and waning of the moon*  
*In Your house people grow restless*  
*Pain, anger, frustration and sadness abounds*  
*We trust in you Lord to give us healing*  
*Your gentle hand on our shoulders will show us the way*  
*Help us Lord to strengthen the Holy Spirit within us*  
*So that we may continue to serve you and with renewed strength and harmony sing your praises.*

***2017 Alternative Christmas features gifts for House of Hope, Haiti***

The Wise Men from the East arrived at Jesus's manger with gifts of gold, incense, and myrrh. In this spirit of Epiphany (or Three Kings Day), Caribbean brothers and sisters celebrate through giving gifts, baking a "King Cake", and taking time to reflect on the joy and hope which filled the Three Kings as they journeyed from the East.

During the Caribbean Initiative, Global Ministries invites all to ***Embrace the Spirit*** throughout the Christmas season by giving Alternative Christmas Gifts for House of Hope in Haiti. This year, Global Ministries is extending the Alternative Christmas Giving Season until Three Kings Day on January 6, 2018!

Global Ministries partner, House of Hope provides a space for healing, learning, and self-expression for children living as "restaveks", a form of child domestic servitude unique to Haiti.

**An Alternative Gift for House of Hope today provides a life-changing impact:**

**\$25** can provide school supplies

**\$50** can provide 120 meals for children—  
one day's worth

**\$100** can provide construction materials  
to rebuild homes damaged by hurricanes

**KCC FOOD DRIVE**

Continues through Nov. 19, 2017

**Food Drive**

As been a tradition  
for a number of  
years now, our  
Thanksgiving Food  
Drive supports the  
joint efforts of the

Windward Coalition of Churches through St. Anthony's Food Bank. Long known for its help to distribute food items and other resources to those in need, we encourage people to utilize this location for some of their food needs. This partnership has worked well since they have the manpower and facilities to do it and we are given the opportunity to work together with other churches in our community. This joint effort is a win for all. Thank you for your support to this ministry effort as you reflect on how much God has blessed you.

**Thanksgiving and Other Special Offerings**

Each year the Missions Board of KCC is entrusted with distributing the Thanksgiving Offering to outreach ministries in the community. We have reviewed the recipients for this year and hope you will graciously make a donation that will benefit the Hale Ola, Windward

Spouse Abuse Shelter who take in women and their children who are victims of physical abuse And the UCC Transition House which also takes in families who are in abusive situations. A portion of this offering will also be designated to provide Thanksgiving and Christmas gift Cards for our guest family in our own Transitional Housing Ministry. Thank you for being a source of blessing to those families hurting and in most cases homeless. Please note: It has been our custom that from the special offerings we normally receive each year, the five for five through the UCC: OCWM, NIN, STC, OGHS, Christmas Fund (previously known as the Veterans of the Cross Offering) is sent to the UCC each year along with any extra disaster relief offerings that we may also want to generate. The Christmas Offering received at Christmas time is a special offering we depend on and keep at KCC to help with the needs that may occur but mostly an opportunity and a respond to share a gift of love back to this church and reflect on what it means to us.

We would like to express a sincere thanks to all of you for your ongoing support of the ministry partnership we have at KCC and for the privilege to serving together to building God's kingdom.

**FAMILY PROMISE  
MINISTRY**

We thank you for your generous donations and support of hosting families in the Family Promise program through the week of Nov. 5 through 12. Whether you can help provide support physically or spiritually we welcome your participation. Your prayers that God will be revealed through our actions and attitude to people who are struggling to find a peace and hope for their family's future, are coveted along with any help you can provide to set up rooms, clean-up of rooms, wash bedding after the event, donate food supplies during the week or just come by to visit during meal time for support. See Bryan Gomes or Dan Jessee on how you can still be of help. Sincere Mahalo to all.

**NOMINATING COMMITTEE UPDATE**

Please prayerfully consider how God wants you to serve Him in the ministries of KCC for 2018 and in 2019. We will soon be seeking officers and we hope even if you cannot commit to being leaders in this capacity... you will be there to support leaders who need people with passion and the heart for the different ministries. It is a crucial time in our church to be involved and invested in the future and direction of our beloved church. May God use us in mighty ways to his glory.
