“Finding Meaning and Purpose in Life” by Pastor Chris Eng

“What gave your life meaning and purpose,” I would ask

when visiting a terminally ill patient. As a chaplain with Hospice Hawaii for 2 years, the response gave me a sense of who this person was and still is, to some extent. In our youth, we search for our identity. As a young adult, we might focus on finding our life’s path in terms of a calling or career. At the same time, we enter into meaningful relationships and sometimes one of these turns serious. Sometimes getting married provides much joy. And for some, having a child can be one of life’s blessings. Along the way, some sport, hobby, recreation or pastime becomes our passion. There are so many responses to what gives each of us meaning and purpose in life. When an individual looks back over their life, no matter how long or short, there is usually something that stands out.

Churches go through periods when its members must define the meaning and purpose of “the Body of Christ” that meets in a particular place and worships at various times. When a pastor leaves the church for whatever reason, it is a time to ask, *“what gives meaning and purpose to our church?”* Looking back, the members of Kailua Christian Church UCC can answer this in many ways including individuals answering Jesus’ call to follow him and being baptized and wanting to become part of the life of this congregation because of the tremendous faith in

God that people have. Many find KCC to be a loving church. What happens when the members seem to have lost this sense of being the church and there has been an experience of the opposite of what the church has been and should be?

So often, when we have lost our way, we have done or said something that has hurt another person. The converse is also true when someone has said or done something that has really caused us much pain. Intellectually, we know that we must embrace forgiveness. Either we forgive someone who has hurt us or we accept forgiveness from someone we have caused much pain. This can be one of life’s most difficult things to do. I have spoken of the importance of forgiveness in the sermons and prayers that I have given since last November when I began as the interim pastor. I will continue to invite those who seem “stuck” and unable to move on to speak to me. Together we will find a way where there does not seem to be one.

Addressing our church in the interim is also an opportunity to think about the church’s purpose from a biblical standpoint. My esteemed colleague in ministry, the Rev. Anthony B. Robinson shares the following 9 passages with churches in pastoral search. We hired him as a church consultant when I announced that I was retiring in 2 years and “Tony” spent a weekend at Waikeola Congregational Church UCC. He was the keynote speaker at an Aha Pae’aina of our Hawaii Conference United Church of Christ sharing his book, **Transform-**

ing Congregational Culture that was published in 2003.

After we celebrate Pentecost Sunday on June 9, 2019 by wearing red during the worship, I will focus on the following Passages of Scripture on the Purpose of the Church:

- June 16: Genesis 12: 1 – 4: “Blessed to be a blessing”
- June 23: Leviticus 19: 1 – 2: “You shall be holy, for the Lord your God is holy”
- June 30: Matthew 5: 13 – 16: “Salt of the earth, light to the world”
- July 7: Matthew 28: 16 ff: “Go ye into all the world and make disciples”
- July 14: John 20: 19 – 23: “As the Father sent me, so I send you”
- July 21: Acts 1: 7 – 8: You shall be my witnesses”
- July 28: Romans 4: 13 – 25: The God who gives life to the dead”
- August 4: Romans 12: 1 – 2: “Be not conformed but transformed”
- August 11: 1 Corinthians 1: 26 ff: “Not many of you were wise by human standards”

Have faith my friends! We are moving in the right direction as we have approved a Common Vision and are now in the process of selecting the members of the Pastoral Search Committee.

Peace in Christ Jesus,

Pastor Chris

MODERATOR’S MESSAGE

KCC Vision Statement

We are a **WARM** church. We **Reach** out to people, bringing them to Jesus Christ through the Bible inspired by the Holy Spirit. We prepare others for **Ministry** and **Active** discipleship, in order to **Worship** and glorify God.

A congregational meeting was held on Sunday, May 19, 2019, where the vision statement above was approved with 22 “yes” votes and several abstentions. There weren’t any “no” votes. A few members were unable to stay for the entire meeting and left before the vote was taken at this meeting. However, they were there to help us establish quorum at the start of the meeting. This was a time to celebrate as we now have a vision statement that we can include with our church profile that will eventually be submitted to the Hawaii Conference, UCC for posting as we look for a settled pastor.

The second item that was presented at the congregational meeting was the revised interim-pastor contract for Pastor Chris Eng. This contract is for six months and increases his hours to 25 hours per week. As stated in last month’s Moderator’s Notes, these additional hours are necessary for Pastor Chris to provide all we are asking him to do.

Thank you to all the members who attended the congregational meeting and enabled us to vote and pass these two critical items that were another step in moving forward with our goal of finding a settled pastor.

At our latest Council meeting, we determined that June 23, 2019 would be the cut-off date to accept names for consideration to serve on the pastoral search committee. If you are interested in participating in this committee, please let the office know. You may also reach out to any of the church leaders. Please note that we will be limiting the number of individuals on the committee to the required total of 8 members per our KCC Bylaws.

Thank you to all members and friends who regularly attend our Sunday worship service at KCC. For those that have not been to KCC in a while, please consider returning to KCC to once again worship our Lord, Jesus. We welcome all of you to participate in our Sunday

worship service and be part of this exciting time in the life of our beloved KCC.

Love in Christ!

Your Moderator, Dean

DEACONS MESSAGE

Going to the Kailua Library is a joy for me as I browse through the variety of books.

For less than five dollars, I can purchase several books. After reading and enjoying them, I later return some of them for recycling and reuse.

Recently, I found this book called, 365 Days of Praise, a daily guide written by Deacon Steve Greco who is an ordained Deacon in the Roman Catholic Diocese. In one of his daily guide, I came across this verse in Psalm 94:18-19: “When I say, my foot is slipping, your love, LORD, holds me up; when cares increase within me, your comfort give me joy.” I have never read this scripture verse before and thought of more people slipping or falling.

His devotional message says: “Have you ever walked a tightrope? If you have, then you may have experienced physical fear. Fear “really” takes over if your foot slips. At this point, something takes over that sustains you. You reach deep within your self to achieve peace and keep your balance. With the Lord you never need to worry about slipping. When it occurs, and when you trust in Jesus, He takes over your walk. Yes, then the peace of the Lord takes over.”

It is comforting to know that the Lord God is always with us when we go through trials, having experienced the results from my falls. We can trust in the Lord for He cares for us, (1 Peter 5:7) and through prayer and supplication with thanksgiving make our requests known to God

and His peace will be with us which passes or understanding. (Philippians 4:6-7).

The following is a well-known story which shows God’s loving care for us called:

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene he noticed two sets of footprints in the sand; one belonging to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. “Lord, you said that once I decided to follow you, you’d walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don’t understand why when I needed you most you would leave me.”

The LORD replied, “My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you.”

In gratitude,
Nancy Arakaki – KCC Deacon

Our sincere condolences to the family of Dora Kim on her passing. A wonderful celebration of life service was held at Diamond Head Mortuary on Wed. May 22, 2019. Dora will be sorely missed by her family and friends.

Our Sympathy goes out to Carnation Castillo who lost her husband, Regilio (Reggie) as we knew him. Reggie passed away in March and his life will be celebrated at a memorial service on Tuesday, June 18 at the Mormon Church in Kalihi at 9:30 a.m. visitation and 11:00 a.m. Service. All are welcome. TRUSTEES REPORT

May blooms of time, talent and donations continue to demonstrate stewardship and care for things entrusted to us and love for our church family. The contract for Reverend Eng was extended and a new contract with increased hours of service was drafted and approved by the congregation. Many blessings to Scott who replaced the broken antenna and Barney who donated headphones. Their generous and gracious gifts repaired the long broken Assisted Listening System (ALS) and restored listening to worship services for those needing hearing assistance. Gary Yamamoto again donated more time, expertise and resources to mitigate risks with further deterioration to our concrete stairs and walkways. Aaron generously donated his time and talents to trouble shoot and correct intermittent operations with our overhead projection system. We are a small congregation with many needs. We rely on hearts and hands to steward and restore pride as we and our facilities age. Some are wondering what needs to be done. The following is a list of a few things we need to sustain, maintain or repair. Please help if you are able.

1. Parking Lot. Remove weeds and debris clogging parking lot dry wells.
2. Vegetation. Remove thorny bush on left side facing sanctuary to prevent roots from damaging concrete.
3. Vegetation. Remove thorny bushes fronting offices and library to prevent roots from damaging concrete.
4. Men's Lavatory. Replace damaged urinal sign.
5. Refreshment room. Repair damaged concrete sill and repaint.
6. Hinges on security doors to second floor - Repair deteriorated hinges and repaint.
7. Carport hurricane ties. Remove rust and repaint.
8. Rock garden fronting sanctuary. Remove weeds and debris.
9. Door locks and hinges. Lubricate with graphite.
10. Water hoses. Replace deteriorated hoses.
11. Washer/dryer. Obtain/install protective covers.
12. Outside of kitchen. Discard unused/seldom used items and organize.
13. Utility closet. Discard unused/seldom used items and organize.
13. Storage closet near stairs. Discard unused/seldom used items and organize.
14. Storage closet upstairs. Discard unused/seldom used items and organize.
15. Doors to sanctuary. Touchup paint bare areas sanded to correct binding.
16. Library. Clean and organize.

9:30-11:30 a.m.: Video and Hands-On CPR and AED session
 11:30 a.m.-12:30 p.m.: Light Refreshments

Although we had an excellent, informative presentation from AED Institute of Hawaii's Ms. Bailey Chan on Mar 30, we will have more hands-on training and practice with the Honolulu Fire Dept. Dress comfortably.

Practice makes for perfection – we want to ensure that all of us feel extremely comfortable in handling any emergency.

Report from Spring Mokupuni 2019
 as submitted by June Tom, KCC delegate

The Oahu Association Spring Mokupuni was held at Makiki Christian Church. Breakfast consisted of Activa yogurt, mixed fruit bowl with lots of various berries and fresh crispy pastries from a bakery, not Costco. Breaktime brought out furikake Chex mix. Lunch was mayonnaise furikake encrusted salmon with salad and rice and mandarin orange tapioca pearl pudding.

Rev. Wayne Ibara, senior pastor of Makiki Christian Church opened with remarks about the future of doing church. Our salvation is for the life of the whole world, not just for ourselves. We need to rethink and evaluate the way we worship God. In the boom days of church, we did not have to do anything. People just came. Now, we're all thinking of ways to bring more people in. The purpose of doing Mokupuni is to gather, share, work and pray together.

Danny Tengan retired from the State of Hawaii as the head of Disaster Preparedness 5 years ago. He now volunteers his time for the UCC at the national as well as local level. He mainly addressed how and what it means for churches to be prepared to offer their buildings as shelter for the neighbors in times of disaster. One thing we can all do is put our important documents in

NA ANELA I KA HANA A KE AKUA
SUPPORT GROUP

(Angels in the Works for God)

Na Anela I ka hana a Ke Akua's bi-monthly support group May meeting is rescheduled to take place on Sat. June 22, 9:30-11:30 a.m. There will be no meeting in the morning.

Mr. Charles Griep and Jacob Pekelo from the Honolulu Fire Dept will facilitate a two-hour Hands-On CPR and AED training session in the church sanctuary.

a ziplock bag. He is available as a speaker for anyone interested.

Another speaker was Rev. Josh Hayashi. His primary employment is with Punahou School as a chaplain. His other area of interest is the future of churches in Hawaii. He comes from a line of clergy on his father’s side as well as his mother’s side. His uncle is Rev. Gerald Chinen, who many of us know. He is one of 3 UCC ministers in Hawaii less than 60 years of age. He is very concerned with the future of mainline churches in Hawaii, especially the UCC. Some people have predicted that mainline churches have only 21 Easters left to celebrate. We all know the world is changing. Young people are disconnected from church as a building, but not from God. They love to do mission work.

The State of Hawaii uses annual income of \$96,000 as a qualifier for low income housing. How many of us are able to pay our ministers this amount?

Rev. Hayashi has partnered with a Christian developer and architect in order to help churches decide how to best use their property. Makiki Christian Church has been collaborating with them to explore options for their church.

The next speaker was Bernie Kim. Past moderator of Makiki Christian Church. He went into great detail the trials of the past 4 years in dealing with big decisions that need to be made regarding their church, primarily due to structural deterioration. Restoration costs are undetermined but one estimate place it at a minimum of 10 million. Like every other church, their membership is mainly older, and they no longer have the membership they once had. Previously, many members were in the construction industry or other blue-collar trades and so repairs to the castle could be done in house. No longer the case with the younger/offspring generation. As a result, repairs have lapsed. The castle is currently insured for only 5 million. They are not sure if they will be able to obtain higher insurance coverage. They are currently dealing with 4 options. Partial development to no development. At each meeting members show up

exclaiming the were not told of options and also with those wanting no development threatening to leave. Rev. Hayashi and his group have been helping to draw up several planning options.

They use Proverbs 29:18 to guide their meetings. “Where there is no revelation, people cast off restraint, but blessed is the one who heeds wisdom’s instruction”. Bernie also firmly believes that the first responsibility of leadership is to define reality and the leverage of resources.

PLEASE KOKUA!

The UCC Transition House will hold its annual fundraiser in November. We are requesting high value silent auction donations such as restaurant meals, hotel stays, airline tickets, golfing, jewelry, etc. Quality Country Store items are also needed, such as: quilts, homemade preserves, jellies, and various baked goods. This Transition House provides a home for women with children who have decided to leave their abusive spouses and are in the process of building a new life for themselves. They all receive support through counseling, assistance with employment and assistance with finding permanent housing. Financial support is needed for staff salary and benefits, utilities, misc. supplies and with a large amount going for ongoing home repairs such as roofing needs, electrical needs, fencing, window repairs, insurance, etc.

MISSIONS UPDATE

Each Pentecost, we celebrate the church as we have known it, the church we are, and the church that we can be, together. We lean on the story of connecting across difference and listen to the languages of hope spoken in the name of God. We are so grateful to be connected with your church in covenant, each of us seeking to build a just world for all, leaning closer to the world that God imagines for our communities. One of the ways our covenant is lived out tan-

gibly is through the STC Offering! Your past support is greatly appreciated. Through this offering, our congregation contributed to the continued expansion and revitalization of the Unite Church of Christ. As called for by the General Synod, 50% of our offering stays in Hawaii at the HCUC and 50% is sent to the national work of strengthening the church universal: through grants towards new church starts, inspiring youth and young adults into leadership, and equipping pastors for ministry in the 21st century. Please join us in common mission, vision and purpose by giving generously to this special offering. The Strengthen the Church Special Offering will be received on Sunday, June 9, 2019. Mahalo for your support.

RIVER OF LIFE OUTREACH

Thursday, June 6, 2019

We look forward to our quarterly *Message and a Meal* outreach at the Mission in Chinatown. We will serve our roast chicken dinner complete with delicious brownies for dessert. We welcome your support of helping with the Meal prep at 11:30 a.m. that morning and/or joining us at the mission to serve the evening meal. Special thanks to Shane Soma for coordinating this event and for all who'll help make this event a blessing for our est. 200 friends who'll come to the ROL Mission for dinner.

There was much to celebrate on Mother's Day this year as we enjoyed a beautiful dance shared by Mikayla Maeshiro, in honor of all the mothers, then the men provided a feast for the ladies -- complete with delightful live music provided by the Peter boys. This was a special gift for their mom, Emily and the rest of us as well. Thank you very much to all who made this a wonderful day for all who attended!

Prayer for Education and Educators

Your word tells us, Lord, that wisdom is to be valued more than gold, understanding more than silver. Thank you for the opportunities that you have given us to learn, to study, to understand. Thank you for creating within us a desire to pursue knowledge, and help us to resist the forces that run counter to the pursuit of truth and education. Help us, Lord, not to be intellectually lazy and to let others do our thinking for us, help us to avoid the tribe mentality that is so often fostered through social media and network TV. Give us the desire, O Lord, to always think for ourselves and to seek out the truth for ourselves.

Today we want to pray for teachers. For those who are teaching at our colleges and universities, trade schools, high schools, middle schools, elementary schools, kindergartens and preschools, we lift these teachers up to you, Lord. Our teachers often work long hours and the tremendous work they do is so often unappreciated or underappreciated. Please give them the stamina and the energy and the wisdom and the knowledge they need. And help us all to go out of our way to thank the teachers in our lives and in our children's lives. I don't know if there is a more important calling than to educate and shape the lives of young people. Thank you, Lord, for teachers. Please bless our teachers!

We also pray for the many others who serve in the field of education as staff members and administrators and assistants and librarians, coaches and cafeteria workers and bus drivers and custodians and so on. For all of those per-

sons who make it possible for our young people to learn and thrive, we thank you, Lord. We lift up to you these who support education in so many and various ways. We ask that you bless them and prosper them and provide for all of their needs.

And Lord, we pray for the students. And although we mostly think of students as young people, we pray for students of all ages. Continue to kindle in ALL of us, no matter our age, the desire to learn and to understand. We lift up to you the students in all of our schools, Lord. Help them to learn and grow. There is so much evil in the world and so many opportunities for students to veer off course. But we pray for your hand of guidance, Lord. Keep our students safe. Keep them focused on the things that are true and honorable and right and pure.

We pray your richest blessings, Lord, on our educational institutions and teachers and administrators and staff and students, and in our daily discourse we pray for a return of kindness and selflessness and honesty and integrity. As Christians we know that you, Lord, are the source of all knowledge and education. Help us then, above all, to seek first your kingdom and your righteousness, and we know that all of these other things will be added as well.

Grant us Wisdom. Grant us Knowledge. Grant us Unity. Amen.

Darrell Kicker, Director of Admissions
Hawaii Tokai International College

This prayer and the following were shared by Diane Lee Pilla in honor of National Day of Prayer.

PRAYER FOR OUR MILITARY

by Paul Tamaribuchi, Director of Mark Takai
Pacific Warfighting Center

Almighty God, we ask you to watch over and safeguard our nation's military and sustain them with your everlasting love. Take into your protection those currently deployed. May you be their comfort and guide as they live and walk harm's way. Give them reassurance that you are both shield and sustenance, and grant them physical and moral courage, so they may serve

beyond reproach and with honor. Continue to encourage them while they in-turn encourage and support one another.

And as they serve around the globe, we ask that you guard their families. Provide them with peace as they deal with the absence of their loved ones. Especially bless the children who innocently endure the burden of separation. Comfort them when they miss dad or mom the most, and reveal to their confused, scared hearts that they serve because of their love for them and for the hope of making our world a better place. We ask for your blessings to fill their homes, schools and playgrounds, and we pray your peace, provision, and strength to fill their lives.

Lord God, be with marriages in the military. Preserve the bonds of husband and wife despite the stress that military life brings, stress compounded by conflict and separation. Help our chaplains in their efforts to equip marriages with ways to stay connected and communicate effectively despite the distance, and give husbands and wives strength and resilience to endure in love and kindness.

For some, Lord, service takes their toll in physical and emotional damage. For those wounded warriors, we pray you come beside them. Sustain and strengthen them amidst treatment, pain, and adjustments to life. Help them to find care and support, and to not be afraid or ashamed to reach out for a helping hand or an attentive ear. Be with their caregivers in the critical role they have, and strengthen them as they both safeguard and advocate.

We recognize the terrible cost of war and conflict, and many have made the ultimate sacrifice. Each one of them was a son or daughter, a husband or wife, father or mother, sister or brother. For all those who feel the pain and the toll in the loss of their loved one, comfort them, and as they cast their cares on you, may they know the consolation of your love, as you leave them with only beautiful memories.

Lord, for each and every veteran who has served our country, we thank you for their sacri-

face. Comfort those who struggle in life after war. Help us to justly honor and care for those who have given so much for us.

Be with our nation's leaders as well, and all those who make decisions for our military. Give them wisdom and discernment, and may they always seek the ways of righteousness, justice and mercy.

Lord, we pray for the day when swords become plowshares. For we know no one appreciates peace more than those who risk all to defend it, so let our military brothers and sisters feel our love and support. Most of all, we pray that you will turn the hearts of all – military and civilian – to your holy Word where true peace resides. In the name of Jesus Christ. Amen
